Any interesting stories or facts you would like to share with us about your family farm.

We would like an old picture of your farm or a picture of the original settlers. If you don't have a copy we can make one from your original. I know these are priceless to your family and we take excellent care to get the copy made and back to you. If it is encased in glass we have scanned over the glass and made copies. I would also like a recent one. I can come and take a picture if you do not have a recent one. We are looking for pictures of your farm throughout the years we make up a nice display that we have at the fair and could use the pictures for this. If you have any questions please call me at 262 723 3228. Thank you.

Please fill out and **return no later than June 1, 2011**. I will be contacting you in ref to your pictures.
